

- 1) Open PQPs are able to be transferred to the Women's and/or Seniors' PQP list without restriction.
- 2) Open PQPs, however earned, will count double when transferred to the Women's PQP list.
- 3) PQPs earned in a Women's PQP event run concurrently with a Seniors' PQP events (including Playoff events) may be transferred to the Senior's PQP list without restriction.
- 4) PQPs earned in a Seniors' PQP event run concurrently with a Women's PQP events (including Playoff events) may be transferred to the Women's PQP list without restriction.
- 5) Individual players are responsible for requesting a transfer of PQPs earned in a different category (Open, Women's, Seniors'). They must request such a transfer by emailing [pqp@abf.com.au](mailto:pqp@abf.com.au). Any such request will remain in force until the player requests that it be revoked.
- 6) In order to earn PQPs in the NOT, players must have also satisfied the board rule in the SWPT. PQPs which are not awarded in the NOT due to ineligible teams may only be won by teams which have played in the NOT.
- 7) PQPs will be awarded for superior performance in international target events as defined by the TC/MC each year. Where a placing in a certain top subset of a field (eg, half, quarter, etc) is required, any fraction will be rounded down.
- 8) PQPs earned by international representation in Youth Teams, Mixed Teams and/or Super-Mixed Teams events which are defined as Target Events will be allocated as Open PQPs with the usual provision for transfer to the Women's or Seniors'.
- 9) In addition to any Open PQPs they may be awarded, 12 Women's PQPs will be awarded to the top three all-female pairs in the South West Pacific Teams, the Gold Coast Teams and the Spring National Open Teams, provided that these pairs:
  - \* met the PQP board rule;
  - \* met the pairs board rule; and
  - \* finished in the top 20% of the field on modified datum calculated as IMPs/board.(The field will be deemed to consist of all pairs who played sufficient matches to satisfy the PQP board rule for the relevant stage of the event.)
- 10) Pairs may earn a PQP Partnership Bonus provided they play a designated number of stanzas in each stage of an event. The designated number is calculated by subtracting one from the number of stanzas in the stage and dividing by two (rounded down if necessary). Both players must also satisfy the PQP board rule in order to be eligible for PQPs. The current 50% discount for PQPs not earned in the same unit will be discontinued. The PQP Partnership Bonus of double will be applied to those PQPs earned as a pair at the time they enter the Playoffs in that partnership. As a consequence, an entry to the Playoffs must designate the partnership in which the entrants will play.
